Failure to meet their respective terms represents a breach of planning control and may result in formal enforcement action. Copies of the notices referred to below are attached to this permission for your use.

NOTIFICATION OF INITIATION OF DEVELOPMENT - S.27A of the 1997 Act, as amended requires that any person who has been granted planning permission (including planning permission in principle) and intends to start development must, as soon as practicable after deciding the date they will start work on the development, give notice to the planning authority of that date. This will ensure that the planning authority is aware that the development is complete and can follow up any planning conditions. Therefore, on completion of the development or as soon as practicable after doing so, the applicant/developer must complete and submit to the Moray Council, as planning authority the attached Notification of Completion of Development.

NOTIFICATION OF COMPLETION OF PHASED DEVELOPMENT – Under S.27B(2) of the 1997 Act, as amended where permission is granted for phased development, the permission is subject to a condition (see Schedule of Conditions above) requiring the applicant/developer as soon as practicable after each phase to give notice of that completion to the planning authority.
